

St. Thomas Jubilee Finale

Father Edmund W. Croke, Pastor of St. Thomas of Villanova Parish announced Sunday the final plans for the closing events of the Golden Jubilee of the Parish.

On Friday evening in the newly renovated Villanova Hall that will be tastefully decorated, a Golden Jubilee Ball will be held. Entertainment, refreshments, and dancing will be enjoyed. This will be for adults

only. All the parishioners and townspeople are invited to this Gala Social Event.

Saturday at 5 pm there will be a concelebrated Mass. The principal celebrant will be Fr. Croke. An evening Folk Mass conducted by the Oblate Fathers Seminarians will be celebrated at 7:30. It is hoped that all the youth of the parish will participate.

Sunday afternoon at 3 pm, the Rosary will be recited at the outdoor Shrine

and Benediction held. The women of the parish will then hold a reception to the Sisters, Sister Patricia and Sister Joan of the Sisters of St. Joseph who are the Parish Coordinators of Religious Instruction.

These events will bring to a close the year that began on October 24th with Cardinal Cushing presiding. Ten years ago, on October 24th, of this year, on a cold rainy evening the Cardinal dedicated the present new church.

FIRE PREVENTION WEEK

Fire Prevention week was observed in all Wilmington Schools last week.

Lt. Cushing of the Wilmington Fire Department and Firefighter John Brown attended assemblies at all schools. Lt. Cushing used slides to illustrate his talk on fire safety.

Students Grade 5 will be exploring their homes and the homes of neighbors to look for fire hazards. The program will end next Spring with the students being awarded for the most fire hazards found.

Amen

4 Oakridge Circle

Oct. 13, 1970

Dear Larz:

As you well know, I have been associated with the Crusaders and Swordsmen for about ten years. In Saturday's (Oct. 10) Record-American, there was an excellent paragraph written by the Record's columnist, Bill Dunciff, that pretty well sums up the local problems my by drum corps everywhere.

I would like to quote from it now:

"For instance, it is an endeavor in which upwards of \$1.5 million - and that figure can be proved - is spent each year to provide thousands of young people with a form or recreation that is both hard and wholesome and that goes on for a full 12 months. Yet it is largely ignored by local government and business, for whom it saves a lot of money and trouble. And it is loudly opposed by some adults who live near practice fields and/or halls and who may - may - suffer some small inconvenience a few hours each week."

Many of these same adults, we are sure, can at the drop of an invitation, deliver long, dull, and outraged lectures about the evils caused by an idle and purposeless youth - and yet they not only do not help, but they actually go out of their way to hamper kids who are causing no trouble and who are doing something constructive."

I recall, once a few years ago, when there was a fight between two gangs down in the vicinity of what is now Ricky's Dog House, late at night. We heard about it the next day.

The thing that has stuck in my memory, ever since, was a remark made by a boy who was in the corps at that time. He said "If I didn't have practice last night, I would have been down there!"

There had been, I think, three boys taken to the hospital with knifing wounds that night. Only one boy kept away?

True, but every one that is prevented from such ventures is one less for society to worry about. Obviously there is a savings for the community.

Our corps - no drum corps - in fact, has "perfect kids". No youth activity does. Yet, I personally will feel our drum corps is accomplishing something if we can do no more than keep the kids occupied and enjoying it, until they reach an age of maturity. In fact, right now, I wouldn't trade most of our elder kids (16 to 20) for a lot of less responsible adults I know.

Thanks for letting me spout off. People need to be reminded once in a while that 90% of America's youth are pretty wonderful people, and that for the good of the community as a whole, the kids need the town's support. These kids aren't looking for something to do - they have it!

Sincerely,
LeRoy Wallace

Amen, Ye Editor.

BOOSTER MEETING

Booster Meeting will be held on Monday, October 19 at 7:30 pm at the Legion Hall.

All parents of High School Athletes plus interested parties should attend. If you have no interest in your children, stay home.

TM Still Says: No Dough

SPECIAL TOWN MEETING ON NOVEMBER 14

The Board of Selectmen, Tuesday night issued a call for a Special Town Meeting, to be held in the High School Gymnasium at 1 pm on November 14th. The date, Chairman Bruce MacDonald observed, is an "open" one for the High School football team.

Sitting as a selectman only (he had arrived late, and Miceli acted as chairman) MacDonald was of the opinion that there could be a lot of discussion "into the night", at that Town Meeting.

There are about thirty articles to be included in the warrant for the Special Town Meeting.

Specifically excluded were two submitted by Attorney Joseph F. Courtney, having to do with apartment housing. Mr. Courtney did not have one hundred signatures, as is required for Special Town Meetings, although the Selectmen did not need

that number, had they chose to ignore the requirement.

Roberts Estate?

Supt. of Schools Walter McNamara and several members of the School Committee attended the Selectmen's meeting, with Walter McNamara acting as spokesman, most of the time. It was the School Committee who made the request, even after the Town Manager had indicated that there was no money available to carry out the School Committee's wishes.

The School Committee has two articles, one to purchase the Roberts Estate, off Burlington Avenue, and the other intended to cover the cost of preliminary drawings and plans for the new school.

It was on the second article that the

PAGE FOUR

It Don' Mean A Thing -

THE SCHOOL ZONE SIGN ON MIDDLESEX AVENUE: Which is blithely ignored by over 75% of the motorists using that street.

The "Adam" in the street name is, incidentally, wrong, it should be "Adams". The street sign was erected in the early 1960's and has never been corrected.

The editor of the Town Crier spent about ten minutes, and perhaps less, in front of St. Thomas Church yesterday morning, taking a picture of that church for this issue.

During that time there were 34 autos which passed the editor, and 6 trucks.

Of those 34 autos, the drivers of six paid attention to the "School Zone Detour" sign. The others went right through.

One driver, a lady, did turn onto School Street, and thus presumably had a reasonable cause for ignoring the order of the Board of Selectmen.

Another local matron went sailing through at a speed thought to be in excess of forty miles an hour, and did not slow down as she passed the Common, in so far as could be observed.

One of those who drove through was a reserve police officer of Wilmington, who was off-duty, and out of uniform.

Of the six trucks, two were town owned and operated, with the familiar orange colored paint, and the blueberry bush on the sides.

On Sewer Extensions

as this is being written there still has been no decision about a Special Town Meeting for a new High School. There are those on the School Committee who are convinced that the town needs one, and there are private individuals, perhaps not as well informed, who believe that the town does not need one. As things look now, any proposal will get a rough reception, in a Town Meeting in November.

There are those on the School Committee who feel that the 'back' part of the Roberts Estate, off Burlington Avenue is the site for a (or the) new High School. There is approximately sixty acres of land, and the back part does sort of 'back up' to roads that lead over Kelly Hill, off Shawsheen Avenue. It should be noted, too, that the back part of the Roberts Estate is particularly rough and rugged terrain, with acres and acres of boulders and rocks.

On the other hand Professor Eliot, Consultant to the Wilmington Planning Board, favors a Woburn Street farm as the site for a new high school, if one is to be built. The farm is not too distant from Lowell Street and is perhaps to be described as being more centrally located. The Professor seems to feel that a million dollars would have to be spent in roads, to get to the Roberts Estate if a school were to be built there - and this figure may or may not include the costs of a new bridge over the railroad, or some other solution, at Wilmington Square.

The writer, however, is proposing to discuss the long delayed extension of public sewers in Wilmington, and the new high school just happens to enter into such a discussion - if one wants to.

It was in the mid-fifties that public sewerage came to Wilmington, as far as the then new Avco plant. Avco helped a good deal in the costs, and, as a matter of fact made it possible, in one sense at least, for sewerage to be extended to this town.

Since then nothing has happened. Nothing of material meaning, that is. There have been talks by politicians and Town Managers, sometimes with tongue in cheek. Some firms not originally on the sewer main now have that service, but practically no money has been spent on extending the sewer mains to other parts of town.

The present Town Manager is attempting to have the sewer main extended up the Boston & Maine tracks as far as Eames Street. He has \$500,000 (in bonds, not sold) to play with, but progress seems to be non-existent.

The point of this discussion is that if a new school is to be located in Wilmington, and if a quarter of a million dollars (as some say) will be the cost of the leaching field for that school, it would be a shame if that quarter of a million were not put into the extension of the present public sewer.

Offhand, (not an engineer's estimate, of course), it would cost a quarter of a million dollars to extend the sewer from Avco to the proposed site off Woburn Street. And probably a quarter of a million dollars amidst the rocks of the Roberts Estate - well, where would it go?

The League of Women Voters

Whatever happened to that state organization of the League of Women Voters? They went and got everybody excited about reducing the size of the Legislature, and now that the politicians are busy snarling at each other, they ladies in the League are staying very, very silent. It would seem that this is the time to push their program, but the ladies have nothing to say.

Perhaps they have come to the realization that their proposal to cut the size of the House of Representatives would only increase the control of the big-city politicians in the State House, and that further it would serve to further disenfranchise minority groups, and the smaller towns of the Commonwealth.

Possibly the ladies have decided to, in plain words, Shut Up.

But the harm has been done. Their campaign of last spring still lingers on. Every non-thinking would-be liberal, in the Commonwealth, believes that there should be a cut in the Legislature, and that only black-hatted guys are opposed to such a cut.

(From Front Page)

School Committee and Town Manager met on a collision course.

Members of the School Committee were of the opinion that there would be money available for the preliminary plans, and that the Town Counsel had already approved of the proposals.

The Town Manager steadily said that there was no money to be had. He repeated his statement in half a dozen ways, and referred often to the 1966 experiences, in building the new Shawshen School.

The direct costs of acquiring the land (not counting money in bonds, etc.) of the Roberts Estate would be \$3,750, the Town Manager said, which money must be appropriated from available sources.

The costs of the preliminary plans (architectural fees) would be one percent of the cost of the building, the TM said - or \$130,000.

And he said, more than once, simply but forcefully, 'We don't have \$130,000 for this project'.

MacDonald believed, from the TM's statements, that he felt the town should not have a special town meeting.

'I'm not telling you that' said Morris. 'What are you telling us?' asked Jim Mecili.

'I'm saying that this article cannot be submitted to the Town Meeting' Morris said.

Other Articles

The Selectmen voted to keep the warrant open for Town Officials and Boards, to close it for other submitted articles.

Among the thirty or so articles expected to appear on the warrant will be some for arterial street construction, a youth center, and an article to include Wilmington in a regional Drug Center.

Shawshen School

About half an hour, in the early part of the meeting was spent in discussing, with Alfred D. Laing, of the Department of Public Works, the safety precautions at the Shawshen School.

Much of the conversation was with spectators, who were amazed to hear Laing say that the town has no official school zones, since the town does not

meet the necessary state requirements.

The requirements, according to Mr. Laing: 1. The school property must abut a public street; 2. The school cannot be set back from the street; 3. There must be one or more grades below grade 10 at the school; 4. There must be a crosswalk, and, 5. There must not be an adult crossing guard present.

The last requirement negates any official status Wilmington may have had for its school zones, since traffic supervisors are utilized at the school crossings.

Laing told the Selectmen and spectators that the state feels that 'The best safety precaution is an adult crossing guard, someone to direct the children' rather than a traffic control signal, as had been suggested by some of the ladies present.

As for the setting of speed limits, Laing told the Selectmen that this is done by radar tests, to determine the lowest speed that motorists will heed. 'It doesn't do any good to set a speed limit of 25 miles an hour, if no one is going to obey it,' he explained.

There was much discussion about sidewalks and heavy trucks.

Selectman Miceli finally suggested that the hearing adjourn until the next Selectmen's meeting, on October 26, because 'we don't have the answers tonight'.

Public Hearing

Diamond Drug Company of Revere presented its case for the storage of 40,200 gallons of fluids, underground, in tanks at 845 Woburn Street. There were a couple of abutments present, as was Stanley Webber, secretary of the Chamber of Commerce. Atty. Joseph Courtney represented Diamond.

The Selectmen were told that Diamond specializes in the manufacture of health medicines, such as mineral oils and hydrogen peroxide. The process involves the mixing of chemical solutions by a completely enclosed system which is under tight control, by the Internal Revenue, and the Food and Drug Administration.

Ron Humphries, vice president of the firm, told the Selectmen the relocation was brought on by the need for more space. The 45 year old firm, he said, 'could grow into' the former Webtex facility' and Wilmington has

a labor potential for the operation of the plant.

Mr. Webber said the Chamber was interested in seeing new business come into Wilmington 'but we must make doubly sure that this is a good plan'.

The decisions was put off for two weeks on motion of Selectman Banda.

Ballardvale Street Sidewalks

Several residents of the Ballardvale Street area were present to protest lack of sidewalks necessary for the protection of school children, and the speeders on that street. Employees of Avco and Gillette are believed to be the cause of the heavy and fast-moving traffic along Ballardvale St. to Route 125, the Selectmen were told.

Speed checks were suggested, as was the possibility of making Ballardvale Street a dead end, forcing commuters into other traffic patterns.

Sterling Morris told the people that it takes time to plan ahead for the installation of sidewalks, and that only so much money is allocated for such construction.

People have to go to Town Meetings and say 'Yes' for sidewalks to be constructed, the TM explained. A proposal at last spring's town meeting was defeated. A Sidewalks Development Plan will be heard at the Special Town Meeting, the TM said. The cost of the plan is estimated at \$1,207,000, and it is based on a survey of needs conducted by the Town Manager, Sgt. Charles Ellsworth of the Wilmington Police; Maryann Langone, traffic supervisor; Robert Palmer of the Highway Department, the Town Engineer, and others.

There were complaints from Marcus Road residents about two trucks parking on that road. The Selectmen agreed to take appropriate action. No trucks are supposed to be parked in residential areas.

An application of the Direct Service Line, John J. Navaria, to operate a shuttle service between Lowell and Lawrence and Logan Airport was approved, on condition that no stops be made and that the service be only in limousine-type vehicles. The traffic will be only on Route 93.

A public hearing on the application of the Mobil Oil Company for the right to store an additional 5,000 gallons of gas underground at 316 Lowell Street was cancelled by the company.

How
to settle for
less house
than you had
in mind.

There's really nothing to it. Just go out by yourself and look and look, till you have no time or energy to look any more. By then you'll be ready to take the first house that's almost right. Two bedrooms, instead of three. Or a not quite big enough kitchen. How can you help it? Get one of our experts to help.

We're Realtors. We work in your best interest, because we're pledged to a strict code of ethics. We'll ask you what you need and what you'd like. Then find it for you. And even help you find hard-to-come-by mortgage money.

So when you're ready to make the biggest investment you're ever likely to make, doesn't it make sense to use our professional help?

NOT EVERY TOWN OFFICIAL
Can do this. Supt. of Schools Walter Pierce neatly tucked his legs and feet under his chair, in the Selectmen's meeting Monday night. This was after the TM had indicated that \$130,000 was not available for architectural fees for the new High School's preliminary plans.

With Pierce is Walter McNamara of the School Committee, who acted as spokesman.

SERVICES FOR MARGARET GIBSON

Margaret S Gibson of Dewey Avenue Wilmington died at the Choate Memorial Hospital in Woburn on Sunday after a long illness.

Born in Canada, she was 66 years of age at the time of her death. She was the daughter of the late Noah and the late Idella (Wheaton) Sears. She had been a resident of Wilmington for the past three years.

Mrs Gibson is survived by her husband, Walter I. Gibson and two daughters: Mrs Audrey Wentzell of Billerica, Mrs Marilyn Hapgood of Wilmington. One brother Daniel Sears of Canada and two grandsons, Daniel and Walter Wentzell both of Billerica.

Funeral Services were held at the W S Cavanaugh and Son Funeral Home, 374 Main Street on Wednesday at eleven o'clock with Reverend Robert Smith of the First Baptist Church officiating.

Burial followed in the family lot at Woodbrook Cemetery in Woburn.

REGIONAL HOSPITAL CONTRIBUTIONS

Relatives, friends, and loved ones honored by contributions to the Wilmington Hospital Building Fund this week include:

Lydia Richard from Mr and Mrs George Noonan
Lydia Richard from Mr and Mrs John Coe

Lydia Richard from Mr and Mrs Al Arenault

George Allaby, Amherst, Nova Scotia from Mr and Mrs F H Whitney and Family

Nora Hennessey, mother of Mrs Daniel Wandell, from Mr and Mrs George Brothers, Tewksbury

Dr Chester J Dexter of Brookline from Madeleine Dengeleski

Dr Chester J Dexter of Brookline from Frank M. Farell

Angelina Marmaini of Tewksbury from Mr and Mrs Manuel Barboza

Ellsworth LaFond of Gloucester from Mr and Mrs Thomas Calhoun

WILMINGTON REGIONAL HOSPITAL BUILDING FUND

Memorial Contributions, in lieu of flowers, may be sent to Middlesex Bank, % Joseph Maffeo, Wilmington, or the Wilmington Centre Pharmacy, Mrs Lillian Woodside, Main St. Wilmington. All contributions will be acknowledged.

INSURANCE INSIGHTS

By Lloyd Bender

MORTALITY TABLES

"I am now, and I always have been, a believer in life insurance. I have tried to carry out that belief in practice.

Besides Government War Risk Insurance, which I obtained in the first World War, I have policies in several old-line companies." -- Harry S. Truman

Although life insurance was not issued by an organized company until 1698, studies of vital statistics were made as early as 1592. These were called the London Bills of Mortality. This report has been published regularly, since 1603.

Edmund Halley, mathematician and astronomer (of comet fame) extended and made more detailed studies along these lines in 1693, while engaged in

his astronomical observations.

Up to date versions of these tables are the basis for determining the premium on your life insurance policies. They are called mortality tables.

BOSTON & MAINE

It was a good morning this morning Bernie Brady, the Personnel Mgr for Sweetheart Plastics gave us a buzz and asked if Sweetheart could participate in sending Christmas Cards to the lads overseas this year on account of he thought the boys should know that everyone is thinking of them and behind them...and we heartily agreed with him...and all of you get with it...with all the descension at home these lads are doing their damndest to show us they care...so let's plan on that and you and you and you...we already told you that our friends are now on notice that they will never get a Christmas Card, cause the Clan does them on Thanksgiving Weekend...that's one of our things and mails them to every lad overseas...So, are you with us...and thanks to you Bernie for the thought

By the way, Mas and Pas...dis we get your serviceman's address yet...haven't had many...Get with it now.

Um hm...and we can stand more of those 3 pm coffees! That was fun.

Did ja know that our own John Harvey was appointed Speaker which is the same as Prexie of the U S Narcotics School in Washington DC last week...and he tells us that this is 200 hours in Drug Education for him and he's really with it, we think...and then we heard that he and Jack Leonard and Bruce Munson of Sweetheart have a series of lectures or talks and films that they present and are available in general for anyone who wishes them...any group that is...and we hear it's quite a program...and ya know, don't ya that Harvey went down to that school on his own and Sweetheart was one of the participants in backing him and the Chief and the TM gave him the time off to go down...This is the kind of community participation we like to see...He had told this gal he felt so strongly about it that he was going to go with his own money He's really something...that guy... Certainly am glad he's on this team... And you Folks...watch for the other notice about Drugs in the paper... now we're beginning to Go...and tis this Chick's opinion that we're now getting where it's at!

Our own Ken Wilson will be playing at the Reading Memorial High School October 23 at 8:30 p.m. He will play the universal instrument with the console in the view of the audience as he presents 'Fresh Accents on the Organ' and

tickets will be available at the door.

Shawsheen Valley Jewish Community center Thrift Shop at 488 Main St in Woburn announces that it carries a group of special priced uncleaned Dry Cleaners Items with some minis maxis and midis for mother or daughter.

Hours are Wednesday 10 am to noon; Thursday 7 pm to 9:30 pm and Saturdays from 10 am to 2 pm

Saturday nite...what fun at the Sons of Italy Ladies Night...We had all the politicians out en force...Senator MacKenzie and his lovely bride - Jan It was our first opportunity to get acquainted and we certainly loved her and admired her immediately...and then Representative Fred F Cain danced us all around the hall...don't see that that operation cramped his style a bit...that was fun...and he certainly was chatting confidentially with the Senator's wife...then our own Selectmen Jim Miceli with his beautiful Jean were beaming and chatting with the group...Those three kept Fran Gray hopping with her introductions to the others...Then there was Williams and Bob Vigneau...and home made ravioli and spaghetti and meatballs and salad and wine and this Chick stuck with the 800 calories...not that she had will power cause she kept getting big bowls of that excellent food stuck under her nose by one of those characters that claims to be her friend...but she couldn't taste anything, so twas no problem...And then, the Senator was sporting a broken little finger...Lucky it was his left hand and come to find out it was from playing HOCKEY yet...We accused him of it being PeeWee, but he said it was legitimate hockey...and then Jan told us that sports are his thing and that's why he's just the same great guy at home...cause he plays all of these games and takes his frustrations out that way.. Congratulations there, Ron...that's our kind of People!

Now you all...Don't forget that Coffee Hour for Everybody at Rocco's on October 19...that's next Monday night and arranged at 7:30 pm for all of you no matter what party, sect, or creed, so you can see that Friendly Grin of the Senators in Person...He wants to know you all...and believe me, he's one guy that does know you after he has met you once...Fabulous...We'll be looking for you there!

Then, more politics this next week will be a reception for Congressman Brad Morse at the Woburn Country Club on Wednesday Oct 21 at 8 pm Then on Saturday Oct 24 at 8 pm a Reception for our Fred F Cain at St Anthony's Club in North Woburn

The League of Women Voters is having a discussion group on the Referenda Questions, which are to be presented on the Ballot this year and this will be held at the Library on Wednesday October 21 at 8 pm. They are inviting all of you to come

The Methodist Youth Fellowship is sponsoring a candidates hour with Selectmen Jim Miceli and Senator Ron Miceli participating at the Fellowship Hall in the Methodist Church on Sunday, Oct 18 from 7 to 8:30 with refreshments being served This should be quite an affair, and here's your chance - almost 19'ers Your vote will be on the referendum this year, so you better get with it and get started to find out what these politics is all about. Right Here's one where you'll be with your own group and can ask them any questions you wish. Sunday at 7 at the Methodist Church.

The, St Dorothy's hasn't forgotten there is a booze problem also in this town...and this Chick hopes that you parents paid attention to what she said about the Rec Director being more concerned with the 13 and 14 year olds drinking than he was with the Drugs momentarily Anyway St Dot's CCD is sponsoring

a play 'Lady on the Rock'...just about that problem. This is directed by Dr George Deering, a well-known authority on the treatment of alcoholism. He'll answer your questions after the play.

Our own Dapper Harold McKelvey is now in St John's in Lowell where he'll be a few weeks...He called us this morning and he sounded as though he needs your cards for cheering up...so let's go Gals...and Harold likes the Gals!

Those Methodists enjoyed a Folk Mass for Communion on Sunday and it was Real! Those little Gals can really play those guitars...Great!

Leo Woodside is holding a pair of men's brown horn rimmed glasses square in shape at the Wilmington Center Pharmacy. Will owner please claim same.

Now, some more wise words from the Vineyard Gazette... 'No man is free who is not master of himself'...Epictetus...and for some of us slow ones...it's taken many years to discover this...that each and everyone has his own Thing to do, and that the span is short for the doing each one better get about it...and this Chick has noted many times now, that the people that do their own Things are the happy people no matter what it is...like picking up the trash in the Square...ask Big Joe...the one man Urban Renewal in Wilmington Square...Did ja see those Walpole Fences...aren't they pretty?

So, remember now, we'll see you at that Coffee Hour sponsored by the Roc and Big Bender on the 19th for Senator MacKenzie...Come one and all...and until then....

Love ya!

DIVISION OF BON APPETIT CATERERS

School Committee Meeting

The resignation of Isabel Burns as Director of the Department of Special Education for the Wilmington Public Schools was accepted by the School Committee at their meeting last Thursday.

Mrs. Burns who has held this position for many years will remain on the staff to teach trainable students. Her resignation was accepted with regret by the Committee. She has taught in the public schools for over twenty years.

The Wilmington Drug Committee met with the School Committee to discuss the process of assessing the extent of drug abuse and drug dependency among the young people of the town. With the approval of the School Committee the School Department and the Drug Committee will work together to make this assessment.

Assistant Superintendent of Schools Derek Little presented to the School Committee a rough draft for interim policy and procedure concerning drugs. The Draft stated that until full procedures were written, any student who wished to receive advice or help would be referred to Mrs. Patricia Gagnon, the Director of Family Living. It also stated that all students would receive the same courtesy and treatment with their inquiries. This would avoid the possibility of diverse methods of referring the students.

The School Committee heard reports from Dolores Silva, Principal of the Wildwood School, and Ralph Ambrose, Principal of the Central District.

Because the meeting was running late, Mr. Ambrose stated the aims and objectives for these schools with Mrs. Silva adding her ideas for the future of the Wildwood School.

Mrs. Silva told the Committee that she would make some changes in departmentalization in the school. She also hoped to make more extensive use of the facilities in the library at Wildwood. In the past, some classes have had to be held in the library, which interfered with full use of library services. She also mentioned that her philosophy for life as well as education was a respect for the individual.

Ralph Ambrose spoke of many problems in the district. Space is a problem in many, because the schools are small and old. He stated this problem would be accelerated when Kindergarten is added to the system in the future. In some schools, there is no cafeteria facilities and other students eat their lunches in the classrooms. He stated that it was not unusual for the Swain School basement cafeteria to have water in it in the late winter and early spring. During this season, the food is served on the first floor level.

Both principals offered several suggestions for extra-curricular activities.

Barbara Hooper, a member of the Committee, stated she hoped that there would be some coordination in planning the field trips for the students. Coordination would avoid repetitious trips for some children, while some never got to go.

Both principals felt the field trips could be coordinated by all the principals in a general meeting to avoid the possibility of becoming fact.

Mr. Ambrose also suggested the School

Committee consider the possibility in the future of the use of the resources of the Summer School program to provide a 'phasing in' of incoming first graders. This would assist those children who have not had the advantage of Kindergarten.

Before the meeting adjourned Jerry Houghton, Business Manager for the schools apprised the Committee of the fact that the 'Sandwich Lunch' now provided for the high school students was becoming too costly to operate. The Committee asked Mr. Houghton to report his suggestions for alleviating this situation for a future meeting.

Two new teachers were added to the staff. Barbara K. Minder of Andover, with an AB from Boston University will teach secondary English, and Irene M. Kline of Brookline, with a BA in Elementary Education from the University of Bridgeport will teach in the primary grades.

Harvard, the first American university, was founded in Cambridge in 1636.

NEW WAY TO PICK CRANBERRIES: The little berries, which have grown in Wilmington since colonial days, are being picked mechanically, this year, for the very first time.

The picture was taken a week ago, at the 10 acre cranberry bog of the Lowell Cranberry Company, off Shawsheen Avenue. The machines left a lot of the berries behind them.

Letters

Dear Mr. Neilson:

I read with considered interest the letter from the School Patrol Woman in last week's Town Crier.

Her letter was interesting and furnished a certain insight into the job of a School Guard. She and her fellow officers are to be commended. I took a great pride in the picture published of the entire group. Certainly Wilmington can be proud.

The 'Slush Shop' statement, she obviously took offense to, was out of context and I can see where she misconstrued the meaning.

No question was raised as to her ability as a school guard. The Shawsheen School area is an unsafe area for children 'traffic wise', and it surely takes the courage of a Spanish Bullfighter to contend with some of the speeders.

Congratulations on your dedication and bravery.

Elizabeth D. Woods

Dear Mr. Neilson:

Why was the vote of the Wilmington School Committee's indiscriminate appointment of William Fay, principal of the North Intermediate School, apparently kept from publication?

The vote was 5 to 1 with Diana Imbimbo voting alone. It seems to me that Diana Imbimbo is the only true and respected representative of the parents of Wilmington.

Isn't it a shame that there is no room or chance for an honest and conscientious politician in this town? I would say it's about time for a parent or mother's action group. Maybe this is a way to make the people whom we elect, finally start to represent us.

Our children will pay for their selfishness.

Mrs. Elizabeth D. Woods

Jewelry Talk

H. Edward King

The Southern Cross

A unique gem is the "Southern Cross". This symbol of Christianity was found in the depths of the sea.

A huge oyster was its home. The 1880's brought its discovery off the coast of Australia.

The 'Southern Cross' is a cross formed by nine pearls. The proportions are perfect. Nature united the nine pearls, of like size, expertly, precisely.

One can will imagine the shock and thrill of this find. The men who followed the sea in the past were prone to be superstitious.

And most of them carried or wore a religious emblem.

To these seamen, the 'Southern Cross' must truly have been considered a "sign".

Its whereabouts today is a mystery. Does its lustrous beauty perhaps adorn a shrine? Or is it in a museum, or a private collection?

To the Taxpayers of Wilmington -

Our "Big Voice" on Beacon Hill seems to have spoken in a whisper when the cost of the sixteen-million-dollar Cambridge Court House soared to a fantastic forty million dollars and made headlines in all our major newspapers.

Not only did my opponent fail to take action on behalf of you, the taxpayer; but he was recorded as "not voting" on July 9, 1970 in "the Journal of the House of Representatives," when Rep. Robinson of Melrose proposed that a committee be appointed to investigate this scandalous increase in cost.

For the information of the taxpayer, county expenditures such as this courthouse are funded for the most part directly from our local real estate taxes.

Speaking of "not voting," the expression "full-term" has never been more abused than on my opponent's literature. In fact, my opponent missed 170 roll call votes during the 1969-1970 House Session.

Elect a candidate who is not afraid to be heard on all the issues and who has the courage to vote in the best interests of the taxpayer.

-(signed) James Miceli

Referenda Night Next Wednesday

The League of Women Voters of Wilmington is sponsoring an Information Referenda Meeting on Wednesday, October 21, 1970, at the Wilmington Memorial Library. The planned program will concern the questions to be voted on by YOU THE VOTER on November 3rd.

Background information will be provided as a public service on:

1. A proposed constitutional amendment to permit the classification of

property for purposes of taxation.

2. A proposed constitutional amendment to change residence requirements for voting in a state election

3. A proposed constitutional amendment to lower the voting age to nineteen for state elections.

4. A proposed constitutional amendment to create 240 single member representative districts, apportioned by the legislature.

5. Non-binding question of public policy-question of U S Foreign Policy in Vietnam put on the ballot by Massachusetts Legislature.

Brief explanations will be provided on our local referenda questions - The Liquor Licenses.

Plan to attend and tell your neighbors and friends. Be informed voters on November 3. Know your candidates and know your Referenda Questions. Remember the date - October 21 at 8:00 pm at the Library.

BALESTRIERI-CURRIER BETROTHAL

Mr and Mrs Albert J Balestrieri of 26 Naples Avenue in Woburn have announced the engagement of their daughter, Jayne Marie, to Paul J. Currier, son of Mr and Mrs Walter Currier of 19 Marjorie Road in Wilmington.

The bride graduated from Woburn High School, Class of 1968, and is presently a secretary at Microwave Associates in Burlington.

Mr. Currier is a 1965 graduate of Wilmington High School, and a 1969 graduate of Suffolk University with a B S Degree in Business Administration. He is presently employed at Sweetheart Plastics in Wilmington, as a Contract Coordinator.

A June 25th wedding is planned.

AMN JAMES A BALSER PROMOTED

Amn James A Balser, son of Mr and Mrs Foster B Balser, 136 Middlesex Avenue has recently been promoted to A1/c in the U S Air Force. He has successfully completed his studies in Loadmastership and is now an Aircraft Loadmaster Technician.

He has just left on a two week trip to the Southeast Asian countries. His home base is Maguire Air Force Base in New Jersey.

Volunteers for Fish

FISH COMMITTEE: Two members who are proving that their abilities are many - Marilyn Chalifour and Les White pour coffee, at the Fish volunteers meeting in the Congregational Church, Tuesday evening.

The Fish program met at the Congregational Church on Tuesday evening to discuss their summer activities.

Les White, Chairman of the Committee, reported that the following services to the Community had been provided.

Transportation 150, Child Care 57, Companionship 17, Shopping 2, Locate needed articles 3, Blood Donations 10, Information 12, Meals 16, Housework 57 and 45 miscellaneous missions.

Members of the organization are providing several trips to Lowell Mental Health Center each week.

There was a plea for volunteers and the way to interest more people in the program. Also some of the Volunteers from the beginning of the program have not been able to help the committee when called.

Although the FISH program originated as a Christian Service Organization, the emergency help provided is available to everyone.

HE DID IT IN A PERIOD OF REST AND RELAXATION: State Senator Ronald MacKenzie is sporting a broken left hand, sustained during a hockey game at the Billerica Forum.

The Senator says that he hopes the next time he breaks a hand or other bone in his body, playing hockey, it will be in a Wilmington rink.

DRUG ANALYSIS FREE FOR WILMINGTON

Any parent or person that has any substance, tablet, pill, powder, or capsule that they feel may be a narcotic or harmful drug, may submit a sample to the Wilmington Police Department for an analysis.

If you would like to remain anonymous you should follow this procedure: Call the Police Station and ask the Officer for a Drug Identification Number. Put your sample in an envelope. Mail it to the Police Department with the Drug Identification Number which you received over the phone in the lower left corner on the face of the envelope.

The results will be published in the next issue of the Town Crier in the following manner:

No. 1... Analysis showed to be Heroin.
No. 2... Analysis showed to be Marijuana.....

OR.....

You may call the Police Station 48 hours after mailing and give your Drug Identification Number, and the Officer will give you the results over the phone.

...OR...
You may bring your sample to the Police Station in person if you so desire.

Take frequent standing breaks if you work in a sitting position for long periods of time. advises the Massachusetts Chiropractic Society.

EMBLEM CLUB HOLDS FAIR

The Tewksbury-Wilmington Emblem Club 381 will hold a backyard fair on October 17, 1970 at 133 Glen Road in Wilmington. There will be many attractive tables. Time will be 12:30 to 6 pm at 133 Glen Road.

The first meeting of the Emblem Club was held on October 5, 1970. Business on the agenda was the charities for November.

This was the first meeting presided over by the new president, Elizabeth Baxter. The next meeting will be held on November 9, 1970 at the Elks Hall at 777 South Street in Tewksbury.

The new officers are: Elizabeth Baxter, Pres; Elizabeth Hewitt, Jr Past President; Elsa Criscitello, VP Susan Fantini, Fin Sec; Barbara Welton Treas; Dorothea Fantini, Rec Sec; Cor Sec Hazel Grouke; Gertrude Duggan, Chairman Trus; Margaret Lafortune, Trust 2; Ellen Griffin Trust 3; Rita Fortier, Marshall; Mary Segnini, 1st Ass Marsh; Judith Creamer, 2nd Asst Marsh; Ann Soles Chaplain; Madeline Higginbotham, Org Mary Fortier, Press Cor; Connie Tzouvekis, Hist; Mary Smith, 1st Guard; Rose Donahue, 2nd Guard.

The installing officers were Supreme Past Pres Madeline Parker, her Marshall Betty Harkins. Following the installation, a buffet was served.

YES - Experience Does Count

Dear Voter:

Once again, my opponent has demonstrated his inability to recognize the interests of the Town of Wilmington and our Tax-payers.

Respectfully,
Fred F. Cain
State Representative

LET'S LOOK AT THE RECORD

In the Town Crier of October 8, 1970, my opponent criticized my vote in favor of a toll road in Worcester County. "because it paralleled an adequate freeway".

COMMENT:

No adequate freeway exists, except on paper. The proposed freeway would be paid for, proportionately, by Wilmington taxpayers. On the other hand, the toll road would be paid for by the users of the toll road.

I voted in favor of Wilmington.

In the Merrimack Advertiser of October 11, 1970, my opponent criticized my "not voting" on a resolution for another investigation of the Middlesex County Court House.

COMMENT:

The Middlesex County Courthouse Scandal has been under investigation by a number of competent agencies, for example: (1) the Attorney General, (2) the Chief Justice of the Superior Court, (3) The Massachusetts Bar Association, and (4) a Special Committee of the Massachusetts Senate. To add another investigation would simply confuse the issue at additional and unnecessary expense to the Massachusetts taxpayers for a publicity stunt.

Cork-tiled floors after years of service may become shabby looking and worn.

To improve the appearance of the tiles, they should first be made smooth by scraping with a floor sanding machine.

Coarse sand paper should not be used on cork tiles, for it may gouge out the fine granules in the surface; a paper of medium coarseness should be used.

When the floor is dusted, it can then be given a thin coat of synthetic-resin floor varnish or a floor sealer.

If you've decided now is the time to improve the appearance of your home, you'll find most equipment and supplies readily available at A. B. Swezey, Inc. 615 Main St. 658-2051. Pittsburgh Paints - 720 colors for your selection. Unfinished furniture, including deacon's benches, bookcases, record cabinets and desks. Hours: Daily 8 AM - 5 PM. Friday: 8 AM - 9 PM.

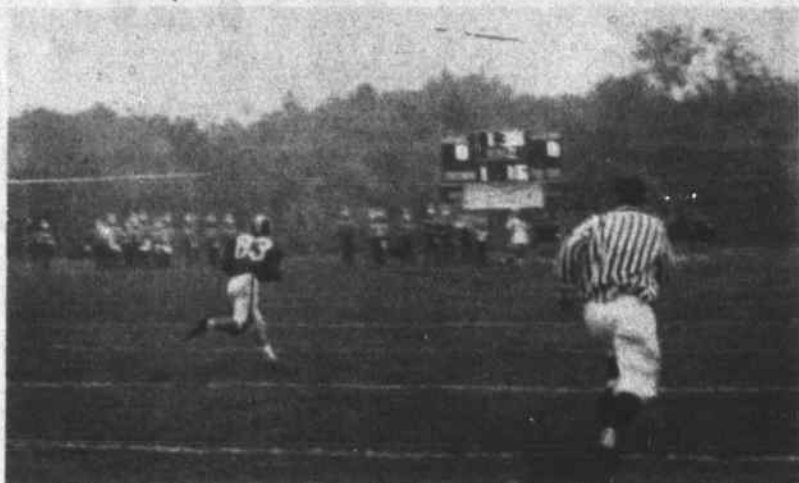

HELPFUL HINT: Do not use steel wool to clean plastic dishes - it ruins the finish. Scouring powder and bleach should be avoided, too.

It Was Gustus in

Saturday's Game

JIMMY IRWIN (83) Heading for Pay Dirt, after receiving a 50 yard pass from Gustus in the last of the second quarter. Jimmy was brought down on the six yard line.

MARK JEPSON: Makes his touchdown in the last quarter, after a beautifully thrown pass from Gustus for a distance of 28 yards.

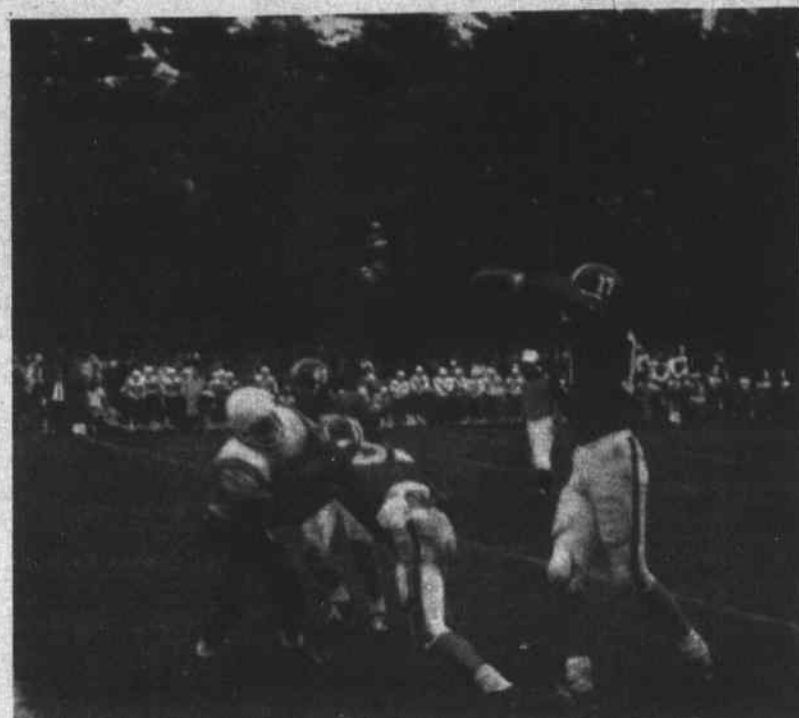

ESPO RECEIVES A PASS: In the second quarter, from Gustus. Seconds later he was hit by a Methuen player, and fumbled the ball.

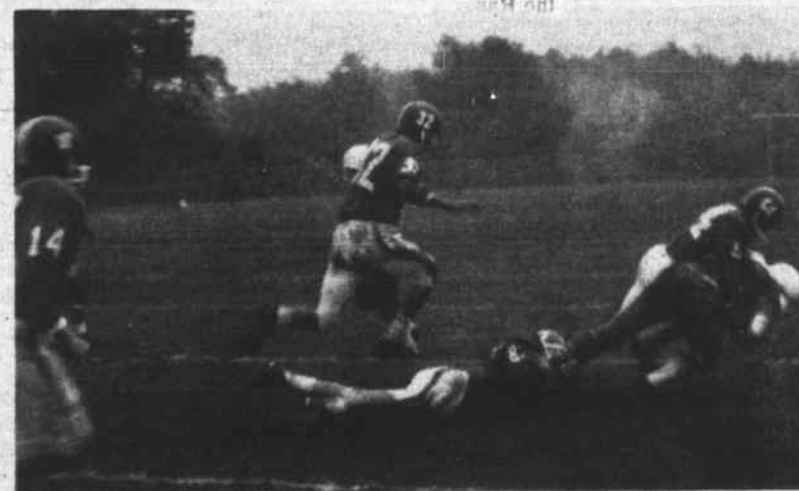

SMALLIDGE TACKLES THE QUARTERBACK: for Methuen, in the 3rd quarter, at the 40 yard line.

A 16 YARD PASS: Gustus to Esposito (in center of picture) in the last of the third quarter.

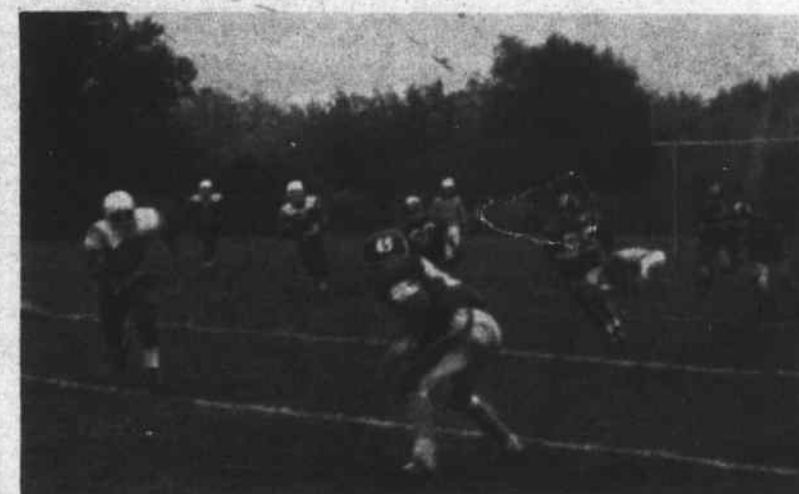

GUSTUS IN ACTION: A 41 yard pass to Jepson in the fourth quarter.

HOLLOWAY (64) tackles Methuen's Wood, on the Wilmington 39, in the last quarter.

TWO METHUEN PLAYERS: Jumped on Esposito after he had received the pass for the third TD from Gustus. Esposito is barely visible between the Methuen players. Wilmington's Irwin is at left.

JEPSON (45) receives a Gustus pass on the 30 yard line in the last quarter.

ESPO MAKING MORE YARDAGE: in the last of the third quarter, after a run around right end. Total distance 14 yards.

High School Football

Gustus Paces Wildcats to 35 - 0 Win

Quarterback Bill Gustus completed 11 of 15 passes for 197 yards, including four touchdowns, as he led the Wildcats to a 35-0 win over Methuen last Saturday afternoon, in the varsity's home opener.

Coach Bellissimo's eleven is now 3-0, and will host their long time nemesis, Dracut, this weekend in a pivotal conference game.

In other games played last weekend Chelmsford remained in a tie for first place with Wilmington by edging Tewksbury 13-8, while Dracut bombed No. Andover 42-0, and Billerica trounced Burlington, 49-6.

A stubborn Methuen defense, and five fumbles by the Wildcats kept the Big Blue Machine off the scoreboard until late in the second period, Saturday. On the opening series of plays in the ball game the Wildcats advanced the ball from their own 34 to the Rangers 32 before the Methuen defense stiffened.

The Rangers were unable to make a first down, and punted out with the varsity taking over on their own 37. In four plays they moved to the Rangers 41 before being stopped.

The Rangers hit on a 33 yard pass play, their longest gain of the day, on the next play from their own 41. But the Wildcats dug in and stopped the Rangers after three running plays at the 18.

With Dick Gillis and Mike Esposito running the ball, the varsity moved out to their own 36, where on a third and two Gustus fumbled the snap from center for a two yard loss and forced the Wildcats into a punting situation. This was the third time Gustus had trouble handling the snap, and in each case minus yardage was the result.

Following Esposito's punt the Rangers drove from their own 28 to mid-field before being stopped. On the ensuing Methuen punt Gillis signalled for a fair catch at the Wilmington 20, only to advance the ball, and the Wildcats were penalized five yards back to the 15.

On the initial play following the penalty Dick Gillis broke off tackle only to fumble the ball, but fortunately for the Wildcats Bob Gillis was alert and

recovered the errant ball on the 19. Three running plays by Esposito moved the ball up to the 31 where the Wildcats made another mistake. Gustus on his initial throw of the day hit Espo for a ten yard gain up to the 41, but in his attempt to turn the corner and move down field Esposito fumbled with Methuen recovering.

Two Ranger running plays moved the ball to the 39, but an offside penalty moved the ball back to the 44, where two pass attempts went astray and the Wildcats took over on their own 44. On the last pass attempt the Methuen quarterback had his throw batted down by Bob Gillis, in an excellent defensive move.

The first play by the Wildcats, following Gillis's blocked pass attempt saw Gustus hit Jim Irwin with a pass at the Methuen 40. Jimmy rambled down to the Rangers 6 before being stopped. Two plays later Gustus fired a short pass to wing back Rick Smallidge, for the initial TD of the afternoon. Esposito converted, and the Wildcats led, 7-0, at 8:40 of the second period.

Methuen moved the ball, following the kickoff, up to their own 40 before being stopped by a Steve Catalano interception at the Wildcats 49. But Gustus had a pass intercepted by the Rangers at the Methuen 34, to end the first half of play.

Another Story

The second half of the ball game was another story as the Wildcats scored each time they got their hands on the ball.

Methuen was unable to move the ball following Esposito's second-half kick off, and the Wildcats took over at their own 31. And, in eight plays, they marched to their second TD of the afternoon.

The key play in the 64 yard drive was a 42 yard burst up the middle on a delay by Esposito. Espo's run set the Wildcats up in excellent scoring position at the ten. Gustus found Jepson all alone in the end zone on the next play, but Mark could not handle it. On the next play Gillis went off tackle for 4 yards and on a third down play Gustus fired his second

TD pass of the game to Esposito. Mike's kick was good, and the Wildcats led 14-0 at 4:42 of the third period. Following the kickoff Methuen moved from their own 23 to 31 as the Wildcat defense threw the Ranger quarterback for two successive losses, and forced a punting situation.

On the Wildcats first play from their own 26, following the put, a personal foul pushed the ball back to the fifteen. From this point the varsity put together its longest sustained march of the young season, 85 yards in eight plays. Included in the drive were three pass completions by Gustus to Esposito for 30, 24 and 10 yards respectively, the final toss being good for the third Wildcat score of the game. Esposito's kick was perfect and at the 34 second mark of the fourth stanza the Wildcats led 21-0.

The next time the varsity got their hands on the ball they scored, this time in only three plays. Methuen was unable to move beyond their own eight yard line following Esposito's kickoff, and the Rangers punted to their own 35, setting up the Wildcats in an excellent field position.

On the first play Gustus hit Jepson for 25 yards to the eight, and Esposito sweep moved the ball to the one foot line, where Co-Capt. Gillis plunged into the end zone for his fourth seasonal TD, and the Wildcat's fourth of the afternoon. Espo's placement split the uprights, and the Wildcats upped their lead to 28-0 at 2:39 of the period.

The final score of the game was on a beautiful pass play, Gustus to Jepson, covering 28 yards, at 8:10 of the period. This drive encompassed 75 yards and took only six plays. Two key plays in the series were a Methuen penalty good for 15 yards and a fourth down 29 yard scamper by Esposito on a fake punt attempt.

Esposito's seventeen points gives him 347, and he needs only 25 more to break the state scoring record.

This Saturday's game should prove very interesting, in that the Middies shut out Espo and the Wildcats last year, 12-0, and have socked the Wildcats with three of the four losses suffered by the Wilmington team during the "Espo Era".

SLIMNASTICS CLASSES

The North Suburban YMCA will start a fall slimnastics program for women

on October 26.

The class will meet every Monday and Thursday morning from 9:30 to 11:00 am for ten weeks.

There will be a baby sitting ser-

vice provided at nominal cost.

For further information and to register, please call YMCA Office 935-3270.

High School Sports**Harriers suffer double Loss**

The High School harriers suffered a double loss, with Dracut and Andover, last week. In its openers it lost 23 to 34, and 22 to 38. Coach Frank Kelley's team is now 1-5 on the season, with a pair of league encounters left on the schedule.

Rick Keane finished second in the meet with an excellent running time of 14:24, which is only six seconds off the school record.

RICHARD KEANE: Crosses the finish line to gain second place in the tri-meet.

by Louis

White Blood Cells? To the naked eye blood is red, yet white granular cells are among the most important composites of your blood stream.

Thw white blood cells are our chief defense against infection, and their sudden decrease or disappearance from the blood can lead to an overwhelming attack by dangerous germs, which can cause serious illness even, in severe cases, death, in a day, or occasionally in a few hours.

A severe increase in white cells on the other hand, can cause leukemia, which is also extremely serious, even deadly.

Good red blood, it seems, must be good white blood as well.

There are many cold remedies available. Fill prescriptions at **SILVER LAKE PHARMACY**, 52 Main St. Tel 658-4617. Open 9-10 EVERY day. Whitman and Candy Cupboard Candies. Clairol Cosmetics and Other leading Brands.

The next varsity runners were Frank McLean, sixth at 14:48; Dave Irwin, fourteenth at 15:28, Frank Harrington, nineteenth at 16:14, and Ray Dudley, twentieth at 16:16.

The Javies swept their opponents in the preliminary meet. With Steve Gustus leading the way to a first place finish at 10:53, the Wildcat yearlings stopped Andover 19-42, and Dracut 20-40. The JV's are now 5-1 for the season. Other top places in the meet went to Dave Barrett, 3rd; Tom Vayo, 5th; Bob Connors 6th and Ralph Halpin, 9th.

Yesterday afternoon the boys traveled to Burlington for a dual meet, and they run, at home, next Wednesday, against rival Tewksbury.

FRANK McLEAN edges out an Andover runner for sixth place in the tri-school meet last Wednesday.

Soccer Team

DECKER'S HAT PACES BOOTERS

Sophomore wing Ralph Decker booted home three goals Tuesday afternoon to highlight the Wildcats win over No Andover 7-1. The triumph brought Coach Lentine's eleven record to 4-2-1. The varsity snapped its two game losing skein a week ago today with a 3-1 win over Lynn English.

In the game against Lynn Rick Lipski goal early in the second period tied the score at 1-1 and Senior forward Lance Platt booted home the game winning goal, his third of the season, midway in the stanza. A fourth period goal by tri-captain Harry Latta iced the win. Frank Simmons played a steady game in the goal stopping 22 English shots.

Tuesday's route of Scarlet Knights saw thirteen players in the scoring column as the Wildcats peppered 71 shots on the No. Andover goalie, who probably went home with a headache. Other goal scorers in addition to Decker were Barry Arruda Mark Kalkanajian, Bob Stewart and Harry Latta. Leading the assist parade were: Lance Platt 2, Marcel Deveau 2, Hal Stewart, Ronnie Lawrenson, Rick Lipski, JohnLippiello Mark Nelson, Bob Stewart, and Harry Latta. In a rather easy afternoon junior goalie Frank Simmons was called upon to make only 12 stops.

The Wildcats travel to Masconomet this afternoon with hopes of avenging an earlier tie with the Chieftains. The boys return home next Tuesday hosting Danvers at the No Intermediate field with kickoff listed for 3:15 pm.

Field Hockey

The Varsity won their first game of the season Tuesday edging Methuen 2-1 behind the two goal performance of Joani Bellissimo.

Along with last week's loss to Tewksbury Coach Cassidy's team is now 1-2-1 on the season. In the game against the Redmen Sally Frost notched her second seasonal goal early in the first half, but it was not enough as Tewksbury scored three times in the second half to end any hopes of a Wildcat win.

The Jayvees won a pair of preliminary games, edging Tewksbury 1-0 on a goal by Diana Rossi in the waning seconds of the game and coming from behind with a pair of second half goals by Miss Rossi to stop Methuen 2-1. The Wildcat

yearlings are now 2-2-0 on the year. The girls return to action tomorrow afternoon as they host Dracut in a 3:15 encounter at the High School Field.

Football

FRESHMEN FOOTBALL WINS

Coac Muir's yearlings won their initial contest of the young season last Friday, 22-8 over Methuen. Dave Spring put the Wildcats on the score board in the first half with a 50 yard run of an intercepted errant Ranger pass. Paul Fitch rushed for the two point conversion and the boys led at halftime 8-0.

Fitch brought the crowd to its feet as he ran the second half kickoff back some 70 yards for the second Wilmington TD. Doug Stewart took a pass from Spring for the extra points and a 16-0 lead. Methuen scored later in the third period to make it 16-8 but Spring put the game on ice in the last quarter with a 40 yard scoring pass to Jack Stygles pass attempt for the extra points was intercepted and the Wildcats led 22-8. The next encounter is tomorrow afternoon as the boys travel to Dracut to meet a tough Middle eleven.

JUNIOR VARSITY ROMPS

The Jayvees scored at will on Monday afternoon to remain undefeated with a 2-0-1 record, as they drubbed the Methuen Rangers 64-0. Ten different players took part in the scoring parade, leading the way were John Gill and Bob Conlin with a pair of TD's and two extra point rushes. Others with touchdowns were Bob Woel, Dan Stygles, Leo Campbell, and Art Bibeau. Steve Coursey and Ray Noel chipped in with a pair of two-point conversions and Ed Gillis and Steve Holloway were credited with a safety each.

On defensive errant Ranger funbles were recovered by John Barry, Paul Olson, Holloway, and Campbell.

Charger 'B' Team Rolls 14 - 6

In weekend action the Chargers saw action on three fronts. The "C" team traveled to Brookline and came out victorious, 3-6 for their fourth consecutive win without a loss, while the "A" and "B" teams visited the Stoneham Spartans.

The "B" won its fifth straight, 18-6, while the "A" team suffered its second league loss, 18-0 in the twin bill at the Recreation Park in Stoneham.

Coach Lawrenson's surprising "B" gang was hard pressed in their win, but a strong defense held the younger Spartans to minus 36 yards rushing and only 72 yards passing for a net total of 36 yards in winning their fifth game of the season.

Running Back Bob Aprile led the way offensively scoring both Charger touchdowns on runs of 2 and 59 yards. Aprile did the bulk of the ball carrying as he gained 119 yards in 16 carries. Quarterback Jim Stewart was 2 for 7, and 19 yards in the passing department.

The "C" team continued to drub the opposition, this time Brookline was the victim. Coach Currier's Chargers have now out-scored their opponents 126-22 in four games. Much of the scoring has been done in the first half of each encounter.

The "Mighty Mite" Richard Fiorello, paced the squad in its win last Sunday with a pair of touchdowns and a key fumble recovery. Fiorello scored on a seven yard dive in the first period. Randy Foster rushed for two points. The defensive front four, Kohler, Campbell, Fiorello and McNaughton dropped the Brookline quarterback for a safety. Tom Gillis scored his sixth seasonal TD in the second period, and Mark Peabody rushed the two point conversion.

Later in the second frame Fiorello recovered an errant Brookline fumble on the visitor's 40, and two plays later made a fine catch of a Tom Bavota Pass for a touchdown. Mark Peabody notched the fourth touchdown early in the third period on a power sweep to put the icing on the win.

Coach Barry's "A" eleven played inspired ball in the first half of their game against the league leaders but could not put any consistent offensive thrust together, and succumbed in the second half, and are now 2-2-1 for the season.

Playing without its top ball carrier, Bob Bavota, the Chargers had to alter its attack with Carl Butler and John Krasznakewicz doing the bulk of the ball carrying. Bob Burns recovered two Spartan fumbles in the first half but the Chargers could not capitalize in either case despite moving to the Stoneham 16 yard line on one occasion.

Following the second half kick-off Stoneham marched 54 yards in fourteen plays for the initial score of the game. The TD came on a fourth down pass from the six yard line, and the rush for extra points failed, making it Stoneham 6-0. Kraz was hurt on the second Charge play following the Spartan kick-off, while blocking for Butler, and had to be carried from the field. The Chargers seemed to lose all their spark at this point, and were able to move the ball only to the Stoneham 39.

An excellent return of a Butler punt set Stoneham up in an excellent field position at the Charger's 47. Stoneham was unable to capitalize on the field

position, and punted out, with the Chargers taking over deep in their territory. A running play and two incomplete passes forced the Chargers to punt and another excellent punt return put the Spartans on the Chargers 21. In three plays they scored.

The Spartans scored late in the final period following an interception of a Butler to Burns aerial, on a 20 yard scamper by the Stoneham Quarterback.

All three teams are at home this weekend, with the "C" team hosting Newton Cabot tomorrow night at the Town Park, and the "A" and "B" teams playing Melrose in a doubleheader Sunday at the High School field

Miceli Club	3 1
Charles River Labs	2 3
Sweetheart Plastics	1 4

Recent Scores: Charles River 40 Miceli 37; Miceli 40 Sweetheart 20 Merchants 78 Charles River 54; Sweetheart 31 Charles River 19.

Next Games at Town Park
Tonight: Merchants vs Miceli 7 pm
Tuesday Charles River vs Miceli 7 pm
Points After.....The Miceli Club had won 16 consecutive regular seasons games prior to its loss on Oct 1 to Charles River.

In the defensive game between Charles River and Merchants on Oct 8, Roger Smith of the Merchants ran back three kickoffs for TDs in a 5 TD performance to highlight the 78-54 game.

The Merchants were leading 51-48 midway in the final stanza before the flood gates opened. Sweetheart Plastics finally snapped its four game losing skein with an exciting win over Charles River on October 13. Quarterback John Rose paced the Plastics squad with a 5 TD passes.

POP WARNER FLAG FOOTBALL LEAGUE

In third round action last Saturday night at the Town Field, the Hot Shots and Mad Dogs broke into the win column, while the Chiefs were biting the dust for the first time. This leaves the Raiders as the only undefeated team, and the Hackers as the only team still looking for their first win.

The first game of the evening saw the Hot Shots edge by the Packers 12-6 on a late touchdown run by John Fahey. This game, well executed by both teams, was tied at halftime 6-6. Ken Liston scored early for the Hot Shots, but Dan Burns evened it up a little later for the Packers. It looked like we were going to have our first tie

of the season, but suddenly John Fahey had the ball and the Hot Shots had their first win.

The evenings' second game, and the most exciting, saw the Raiders knock the Chiefs from the ranks of the unbeaten with a thrilling 13-12 win. The Raiders led at half time 7-0, thanks to a Paul Marasco TD and Brian Calahan conversion.

The Chiefs surged back in the second half as Charley Sullivan scored but Paul Marasco got that touchdown back with one of his own. This made the score 13-6. With time running out, Tom Gracia scored for the Chiefs and both teams lined up for the all important conversion try. Charley Sullivan tried to run it in, but he was stopped just short of the goal line and the Raiders had won a big one.

The final game of the evening saw the Mad Dogs swamp the Hackers 32-0 as five players divided the Mad Dogs scoring. Rich Russo led the way with 13 points, followed by Paul Crescetelli, Chris Rounds and Dave Delisle with 6 each, and Dave Rounds with 1. In fairness to the Hackers, nobody was going to beat the Mad Dogs in this game, and if they play this well consistently, they should be a real threat to go all the way.

After three weeks the standings look like this: Raiders 2-0, Chiefs 2-1, Hot Shots 1-1, Mad Dogs 1-1, Packers 1-2, and Hackers 0-2.

This Saturday night, the Packers hope to upend the Raiders at 6 pm. The Hackers host the Chiefs at 6:50 pm, and the Hot Shots and oMad Dogs collide at 7:40 pm.

Parents, whose sons are playing in the final game of the evening, are urged to be at the field at the end of the game to drive the boys home. The lights will be kept on until everyone is gone, but we'd like to go home too!

4500 FT COPPER WIRE REPORTED STOLEN

The cases of wire larceny were reported to Wilmington Police this week by the Boston and Maine Railroad.

The first instance was reported Sunday shortly after noon and involved the disappearance of 1500 feet of copper wire from a point south of Silver Lake Depot.

A second theft was reported Monday night at 11:40 pm of 3000 feet of copper wire from the tracks between Clark Street and Glen Rd.

Two men were seen carrying a roll of wire behind the DeMoulas Market on Main Street on Saturday. Police are investigating the thefts.

COMMONWEALTH OF MASSACHUSETTS
SUPERIOR COURT

Middlesex, ss. Equity No. 31289
L.S.

TO WILMINGTON DEVELOPMENT CO., INC., of Waltham, in the County of Middlesex; D. F. Moore Company, of Wilmington, and to all persons entitled to the benefits of the Soldiers' and Sailors' Civil Relief Act of 1940, as amended:

PAUL A. REITCHEL and DORIS V. REITCHEL, of said Wilmington, claiming to be the owners and present holders of a mortgage covering the property located and described as follows:

A certain estate situated in Wilmington, Massachusetts, comprising two (2) parcels, more particularly bounded and described as follows:
Parcel I Beginning at the northerly corner of the premises at land now or formerly of Jonathan Carter's heirs and land formerly of Alexander White; thence the line runs easterly by said White land and land now or formerly of Sylvester Carter about one hundred ninety-one (191) feet to a private way called Mystic Street; thence southerly by said Mystic Street to a corner at a brook; thence westerly by said brook up stream to a corner at land now or formerly of John Kenney; thence northerly by said Kenney's land and land of said Carter's heirs to the point of beginning. Containing one acre and 25.443 feet, more or less.

Parcel II The land in said Wilmington, with the buildings thereon bounded and described as follows: Beginning at said Mystic Street, the line runs easterly by land now or formerly of Owen Devine to a corner; thence southeasterly by land last named to a stake and stones at a ditch and land formerly of Sylvester Carter; thence westerly by said ditch and last mentioned land to a brook at land now or formerly of August Grossman; thence northwesterly by said brook up stream to Mystic Street; thence northerly by said street to the point of beginning. Containing three acres of land more or less.

given by Wilmington Development Co., Inc., dated March 4, 1968, and recorded with Middlesex North District Deeds, in Book 1835, Page 655, has filed with the said Court a bill in equity for authority to foreclose said mortgage in the manner following: by entry and possession and exercise of power of sale.

If you are entitled to the benefits of the Soldiers' and Sailors' Civil Relief Act of 1940, as amended, and you object to such foreclosure, you or your attorney should file a written appearance and answer in the office of the Clerk of said Court at Cambridge on or before the sixteenth day of November, A.D. 1970, or you may be forever barred from claiming that such foreclosure is invalid under said Act.

WITNESS, G. Joseph Tauro, Esquire, Chief Justice of said Court this twenty-ninth day of September, A.D. 1970.

A true copy. Attest, Edward J. Sullivan, Clerk

MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the power of sale contained in a certain mortgage given by Kenneth D. Fowler and Karen A. Fowler, husband and wife, as tenants by the entirety, both of Wilmington, Middlesex County, Massachusetts, to the Essex Broadway Savings Bank, a corporation duly established under the laws of the Commonwealth of Massachusetts, having its usual place of business at Lawrence, Essex County in said Commonwealth, dated May 15, 1968, recorded with Middlesex North District Registry of Deeds, Book 1843, Page 327, of which mortgage the undersigned is the present holder, for breach of the conditions contained in said mortgage and for the purpose of foreclosing the same will be sold at PUBLIC AUCTION, ON THE PREMISES NO. 8 FAIRMEADOW ROAD, WILMINGTON, MASSACHUSETTS, ON TUESDAY, NOVEMBER 17, 1970, AT TWO FIFTEEN O'CLOCK, P. M., all and singular, the premises described in said mortgage, to wit:

A certain parcel of land, with the buildings thereon, situated in Wilmington, Middlesex County, Massachusetts, and being shown as Lot No. 70, on a plan of land entitled, "Atkins Grove Park, Wilmington, Mass. owned and developed by John D. Cooke, April, 1963, H. Kingman Abbott, Registered Surveyor, Reading", said plan being recorded in Middlesex North District Registry of Deeds, Plan Book 81, Plan 186, said lot being more particularly bounded and described as follows:

NORTHEASTERLY by Fairmeadow Road, as shown on said plan, 100 feet; SOUTHEASTERLY by Lot 71, as shown on said plan, 192.98 feet; SOUTHWESTERLY by land of the Boston and Maine Railroad, 100.91 feet; and NORTHWESTERLY by Lot No. 69, as shown on said plan, 206.53 feet. Containing according to said plan, 19.975 square feet.

Said premises will be sold subject to and with benefit of grant to the New England Telephone and Telegraph Co., recorded with said Deeds in Book 1198, Page 233, dated June 9, 1962.

Said premises will also be sold subject to any and all unpaid taxes and other municipal assessments and liens.

One Thousand Dollars will be required to be paid in cash by the purchaser at the time and place of the sale. Other terms will be announced at the sale.

ESSEX BROADWAY SAVINGS BANK, MORTGAGEE, By John P. Fitzpatrick, Treasurer.

Oct 15, 1970

TOWN OF WILMINGTON

PLANNING BOARD
PUBLIC HEARING

A public hearing will be held in the Town House (former Mildred H. Rogers School) on Grove Avenue at 8:00 p.m. October 26, 1970, on certain articles to appear in the Warrant for the next Special Town Meeting. The articles will be discussed in the following order.

ARTICLE - To see if the Town will vote to amend Section I-2 of the Zoning By-law by the addition of the following, or do anything else in relation thereto:

7. High Density Traffic Business Districts (HDTB)

ARTICLE - To see if the Town will vote to amend Section II Definitions of the Zoning By-law by the addition of the following, or do anything else in relation thereto:

13. Drive-in Restaurant. A restaurant or eating place in which food and/or beverages are served to persons for consumption in automobiles or other vehicles, regardless of whether such service is exclusive or in addition to indoor service.

ARTICLE - To see if the Town will vote to amend Section III of the Zoning By-law by the addition of the following, or do anything else in relation thereto:

5. Uses in High Density Traffic Business Districts.

A. In a High Density Traffic Business District, the following uses are hereby permitted:

1. Restaurant or other place for the sale and consumption on the premises of food or non-alcoholic beverages, provided that no dancing is permitted and no entertainment is furnished.

2. Commercial parking lot or parking garage; filling or service station and any accessory use thereof; salesroom for new automobiles; open lot parking or sale of new or used automobiles when operated in connection with, and on the same site as, such a salesroom; salesroom for boats, trailers, trucks, farm implements or farm machinery.

3. Indoor amusement or recreation place or place of assembly, provided that the building is so insulated and maintained as to confine noise to the premises.

4. Showroom, provided that storage is limited to floor samples.

5. Any business for the sale of unused merchandise at retail on the premises, including the sale of furniture and other bulk items.

6. Hotel or motel, subject to the following conditions:

a. For the purpose of this by-law, a motel shall be defined as a structure or structures containing sleeping rooms or one or more rooms attached to each other, and intended to be rented for brief periods of time for the accommodation of travelers or tourists, with a public restaurant as an accessory use attached.

b. The minimum lot size shall be 120,000 square feet, having a minimum frontage of 300 feet along a public way of the Town. The gross ground floor area of all buildings, including covered walkways and carports, shall not exceed forty (40) per cent of the gross of the lot; and shall connect with a municipal sanitary sewer.

c. Any structure used for said purpose shall not exceed two and one half (2½) stories or thirty-eight (38) feet in height, but shall be constructed in accordance with the standards specified in the Town Building By-Law in Division No. 2 DEFINITIONS for

'First-Class Building'. The living floor area shall be no less than 20,000 square feet and shall include no less than fifty (50) sleeping units and public restaurant with a seating capacity of not less than (100) persons. No sleeping room shall be located below the mean finished grade of the ground adjoining the building, and no sleeping unit shall contain cooking facilities.

d. Front Yard - No motel shall be permitted within one hundred (100) feet of the sideline of each street on which the lot abuts: Side Yard - There shall be provided side yards of not less than fifty (50) feet in width, which may include a driveway; Rear Yard - There shall be provided a rear yard of not less than fifty (50) feet; with the exception that no said structure shall be built within one hundred and fifty (150) feet of any dwelling which is in existence, or under construction, at the time of construction of the aforementioned uses.

e. Accessory uses shall include, but not be limited to, restaurant, function rooms, news stands, cigar stores, drug stores, barber or beauty shops, and gift shops which may be conducted for the convenience of the occupants of the motel, provided there is no entrance to such place of business except from the inside of the building, and further provided, there shall be no exterior advertising display for such accessory uses except on the sign which advertises the principal use of the lot.

f. There shall be parking space for automobiles provided on the lot sufficient to furnish one (1) reasonably accessible automobile space, exclusive of circulation area, for each guest sleeping room in the building(s), plus parking spaces as provided for in Schedule IV-3 Off-Street Parking of this By-Law for a restaurant and meeting rooms on the premises.

B. In a High Density Traffic Business District, the following uses are permitted as authorized on appeal by the Board of Appeals and as specified in Section VIII - 2 B hereinafter.

1. Repair garage for vehicles in use, excluding junk storage or salvage operations, provided that such use will not interfere with the safety of vehicular and pedestrian movement in the vicinity, and that the building is so insulated and maintained as to confine noise to the premises.

a. Open lot for parking or sale of used automobiles not operated in connection with a salesroom for new automobiles.

2. Drive-in restaurant or eating place

3. Restaurant or other place for the sale and consumption on the premises of food or non-alcoholic beverages.

ARTICLE - To see if the Town will vote to amend Section VIII-2 Appeal B. 1. i. of the Zoning By-Law by inserting the numerals and letter "III-5 B" immediately following "III-4 B", so that the first sentence reads as follows; or do anything in relation thereto.

i. Authorize uses under Sections III-1B, III-2B, III-3B, III-4B and III-5B, as specified therein, after a report thereon from the Town Planning Board.

ARTICLE - To see if the Town will vote to amend Section V Height, Area and Yard requirements of the Zoning By-law by the addition of the following new requirements; or do anything else in relation thereto.

District High Density Traffic Business; Minimum Lot Area for Use Permitted without Appeal - 40,000 sq. ft.; Minimum Lot Area for Use Permitted on Appeal - 40,000 sq. ft.; Minimum Lot Frontage for Use permitted without appeal - 200 ft.; Minimum Lot Frontage for use permitted on Appeal - 200 ft.; Maximum Height - 2½ stories or 38 ft; Minimum Set-back from

'IF IT HAS AN ENGINE WE FIX IT'

Real Estate Corner

By Charles B. McAvaney

If you are considering selling your house, look around.

Would you make a change or two to increase its value?

First, examine the yard. Is the lawn freshly mowed? Do the shrubs need trimming? Do the trees need pruning?

If you've been meaning to tear some out because they spoil the view, now is the time to do it. First impressions of a well-kept piece of property are to your advantage.

If you've gone in for exotic colors on the living room walls, consider the potential buyer. That violet or forest green may set off both you and your furniture. It may scare off another. Off-white is a good neutral shade for off-used rooms.

Perhaps enclosing a little-used porch will provide a den

or laundry which will increase your home's value and desirability.

Every dollar spent may mean two dollars in future value to someone else.

WATCH NEXT WEEK FOR AIR CONDITIONING

Stuck with the burden of selling your home? Consult with MACK ASSOCIATES, experienced real estate brokers. Our listings are complete, our service professional and efficient. With over 20 years of experience, we're happy to serve you: MACK ASSOCIATES, 415 Main St., Phone 658-2400 or 935-1200. Hours to suit your convenience.
